

# FOOT STEPS FOR FOOD!

Chippewa Lake Community Church is kicking off a donation drive that will conclude with a **“WALKATHON”** for their mobile truck food program.

The teams or their designee will walk a mile scheduled for August 31<sup>st</sup> from 10am to 1 pm, beginning and ending at the Chippewa Lake Community Church.

We will also offer a mini Health Fair testing for diabetes, high blood pressure, vision testing as well as a AED demonstration. Nurses will be on site.

There will also be a hot dog basket lunch afterwards with awards for the high collecting team and high individual collector as well as other awards.

There will be several teams with “foot prints” participating in the donation drive. All donations go toward the Mobil food truck program for 2020.

The more food we can provide to those who need a **hand up** from time to time.

For any questions or to sign up for a team, call the Mobile Food Truck Program Coordinator, Ric Gabbert @ 231-250-3483
