

Chippewa Lake Fireworks

2023

We want to thank everyone for your ongoing support!

Your participation and donations are so important for the continuation of the 4th of July celebrations. This year's contract is signed; however, the cost of Fireworks is going up (as is everything). If you want to continue watching the beautiful Fireworks, over Chippewa Lake, we need your continued support! Your donations, sponsorships, volunteer hours, and support mean more than people realize. Without you, there will not be future Fireworks Displays.

We look forward to seeing each of you at upcoming events. Listed below are the events the Fireworks Committee is working hard to schedule for this year.
