

Chippewa Lake Fireworks

2024

We want to thank everyone for your ongoing support-together we will continue to be successful!

Your participation and donations are so important for the continuation of the 4th of July celebrations. This year's contract is signed; however, the costs of the Fireworks Display increase every year. If you want to continue watching the beautiful Fireworks over Chippewa Lake, we need your continued support. Your donations, sponsorships, volunteer hours, and support mean more than people realize. Without you, there will not be future Firework Displays.

We look forward to seeing each of you at the upcoming events. Listed below are the events the Fireworks Committee is working hard to schedule for this year. If you are unable to attend one or more of these events, please consider using the bottom portion of this letter and mailing in a donation.
